The humble Memorial of the undersigned Pygasties of the Octroi Department City Municipality, Bangalore Showeth:-

That the humble petitioners are the poor servants of the Municipality with a service of 28 and 24 years respectively and getting a small salary of rupees 7and8

That in connection with a case of alleged smuggling by one Nasirudin of Bangalore, a prosecution which had been instituted by the Municipality having failed, the Vice President on the heresay of the prosecuting inspector, summarily dismissed the two petitioners on the supposition that they have tampered with the entries in the "Vardy Book" maintained in the Octroi Office.

That the fact that the poor petitioners had nothing to do with the "Vardy Book" and that it is a register maintained by the Octroi Manager and attested by the Octroi Inspector daily and as such far beyond the reach of the petitioners and the fact that petitioners were incapable of having any access to such book was not thought of nor was any enquiry held-

That the humble petitioners are quite ignorant of having done any such act nor have they anything to gain by so doing

That from a copy of the Judgement submitted herewith, and relating to the aforesaid smuggling case, it will be seen that no

Sir,

With reference to your OfficialMemorandum No.3906 -L.F.5I-02 dated the 9th ultimo forwarding for report- a petition from the late City Octroi Paigasties Narasoj- and Chickathimma appealing against the order of dismissal for misconduct, I have the honor to submit herewith, as called for the file of papers relating to a case of an attempted smuggling of tobacco in the course of which the petitioners were found guilty of malpractice and - and were dismissed from service. How they were con- cerned in the case is detailed below :-

In August last information was received that one Nasarûddeen attempted with the connivance of Octroi officials to smuggle 4 bundles of tobacco into the City on the night of the I5th ~~August~~ of that month and that a Reserve Police constable Abdul Hak by name having seen the man leading tobacco cart within the City took it with the owner to the Octroi Koti for examination and recovery of duty The smuggler was prosecuted but owing to defective evidence, he was acquitted by the Magistrate

The date of the attempted smuggling has been fully established to be I5th of August I903 The Octroi Inspector in his first occurrence report mentioned, for

some reason or other the date of smuggling to be I7th of that month This had to be supported throughout and the petitioners in course of their doing duty as Paigasties helped in the matter An Attendance Register is maintained in the Octroi Koti in which the Paigasties note down the names of peons who keep watch by turns at nights in the Koti The entries in the Register for the I5th and the I7th are in the hands of the petitioners Narasoji and Chickathimma respectively (Page 2// of book No 44 in the file The entries are so made as to support the statement that smuggling took place on the I7th and not on the I5th Narasoji has noted on the I5th "Peons Munisamy and Sabhapathy present no artcles" While for the I7th, the entry by Chickathimma is "Musakhan and Lachmiah present There are 4 bundles of tobacco" In the entry for the I7th the mark of alteration of the word Munisamy into Musakhan is observable The Prosecuting Inspector reports that the said alteration is significant, having been found to have been deliberately done with a sinister purpose It was for these offences that the petitioners were punished with dismissal

The petition with its enclosures is herewith returned

Sir,

With reference to your Official Memorandum No 3905-L.F.5I-02 dated the 9th ultimo forwarding for report a petition from late Octroi peons Musakhan and Lachmiah appealing against the order of dismissal for having given false evidence in a case of attempted smuggling of tobacco in August last I have the honor to state that the records bearing on the case have been submitted with this office letter No 287 dated the 31st Instant while reporting on the appeal petition of Paigasties Narasoji and Chickathimma and the facts of the case so far as required for dealing with these appeal petitions are also detailed in that letter It will be sufficient here to state that the petitioners were not the peons who kept watch on the night of the I5th August I903 at the Koti according to the entry in the Attendance Register But they gave evidence in the Court that they were present on that night and Nasaruddeen alone brought the cart containing 4 bundles of tobacco on his own accord and none else accompanied him As they denied the presence of Abdul Hak in company with Nasaruddeen when the tobacco cart arrived at the Koti and admitted their having been present at the Koti on the night of the I5th August though as a matter of fact they

they were not present as proved by the Attendance Register They were dismissed for having thus connived at the attempted smuggling and helped the accused Nasaruddeen to escape from punishment by their false evidence in the Magistrate's Court
